

# MOMENTUM MOVE™

MODEL: 90-3501

*ASI's Momentum Move™ Model 90-3501*

## MAINTAIN YOUR DAILY MOMENTUM

ASI's Momentum Move™ stool is an ergonomic chair that combines comfort, optimal support and freedom of movement to help keep you going all day.

## BALANCE & SUPPORT

The sloped front seat angle supports your thighs and works in conjunction with the curved backrest for a custom fit.

The contoured front also improves patient access.

Achieve your preferred balance of support from your thighs to your back without rounding or overloading the spine.

# FEATURES & SPECIFICATIONS

Rubber bushings allow backrest to support and flex with you as you move

## PERFECT BALANCE IS EASY

The automatic suspension of both the backrest and seat encourage active sitting while guaranteeing stability and optimal weight distribution. The seat front slopes down supporting your legs while also enabling free circulation flow. The adjustable backrest fits snugly into the hollow contours of the lower lumbar, making this chair most suitable for users needing support during prolonged sitting.

## STANDARD FEATURES:

Adjustable convex shaped backrest for lumbar curve support. Slip-resistant Valencia® upholstery is coated with a PermaBlock™ protective finish for easy cleaning. Seat tilt adjustment for maximum operator comfort.
