AIR COMPRESSOR SYSTEM:					
Dynamically balanced, medical grade oil-less air compressor with auto pressure switch, solenoid unloader and corrosion resistant check valve manifold for extended operation.	N/A	N/A	✓	✓	N/A
Operating Pressure to 100 psi, dedicated one half horse power motor for operation of handpieces	N/A	N/A	✓	✓	N/A
Two Stage Sound Reduction Attenuator and Muffler System for ultra quiet operation	N/A	N/A	✓	✓	N/A
Spring Mounted Isolation System for Vibration Reduction	N/A	N/A	✓	✓	N/A
Dual Anodized Aluminum Air Tank System	N/A	N/A	✓	✓	N/A
Pressure Regulator with Condensate Air Tank Purge Valve	N/A	N/A	✓	✓	N/A

DENTAL VACUUM SYSTEM:					
Dynamically balanced, medical grade oil-less vacuum pump with auto vacuum relief valve.	N/A	N/A	N/A	✓	N/A
Adjustable Vacuum strength of 10 to 20" Hg , dedicated one half horse power motor for high suction flow operation of handpieces	N/A	N/A	N/A	✓	N/A
Two Stage Sound Reduction Attenuator and Muffler System for ultra quiet operation	N/A	N/A	N/A	✓	N/A
Spring Mounted Isolation System for Vibration Reduction	N/A	N/A	N/A	✓	N/A
Suction canister with auto flow shut off valve	N/A	N/A	N/A	✓	N/A
Indicator light/alarm when suction canister is full	N/A	N/A	N/A	✓	N/A
Electric purge pump system for hands free removal of liquid contents of suction canister.	N/A	N/A	N/A	✓	N/A

CONSTRUCTION:					
MetalCraft Architecture for Chassis Construction Utilizing High Grade Aluminum with Robust Material Thickness of .125". Feature elements include rounded and curved edging for smooth, easier to clean surfaces.	✓	✓	✓	✓	✓
Finishing complete with Strong Powder Coat Paint resistant to scratches and repeated chemical disinfection.	✓	✓	✓	✓	✓
Non-Porous Worktop	Engineered Stone, Choice of Color	Engineered Stone, Choice of Color	Engineered Stone, Choice of Color	Engineered Stone, Choice of Color	Wilsonart Solid Surface, White
Heavy Duty Dual Wheel Casters, with Front Locking Capability.	3"	3"	3"	4"	3"
Dual Pole, Circuit Breaker Switching and Hospital Grade Wired Electrical Outlets	✓	✓	✓	✓	✓
